Village Council Meeting July 7, 2015

- Minutes of the regular meeting on June 2nd were approved as were the payment of accounts, the bank reconciliations, balance sheets, financial statements, and Waterworks Monthly Log Records.
- A rate payer spoke to council asking for their support in pursuing a licensed community childcare facility. The lack of childcare available in Grand Coulee is becoming an issue for residents and this could be a possible solution. Council supported this.
- An emailed vote was sent to the residents of Park St, Maple Ave, Centennial Dr and English asking whether or not they would be in favour of a 3-way stop at the intersection of Centennial Dr and Assiniboia Ave. Of the 59 properties that were emailed, 34 responded with a 65% in favour. Council passed an amended bylaw to add a 3-way stop at the intersection.
- Council authorized the Administrator to proceed with subdividing Municipal Reserve 2 (by the community sign).
- The Administrator is going to approach owners of the farm land around Grand Coulee to see if they would agree to registering a drainage easement on the east side of Centennial Dr and north of Maple Ave.
- The Village is going to hire a summer student to cut grass and for odd jobs around town. Resumes should be submitted by Friday, July 10.
- Council agreed that it is time to purchase a newer Village truck.
- Commissionaires will be starting soon. They will be handing out tickets/warnings for nuisance yards, unregistered vehicles that are not stored properly and vehicles that are illegally parked.
- Recycling pick-up is July 14
- The office will be closed July 23 & 24 and August 3.
- Next Council Meeting will be August 4, 2015 @ 7:30pm
