Your community your future

Village Council Meeting October 6, 2015

- An application was made to the Ministry of Highways for approval to install 2 street lights along Railway Avenue.
- Two speed bumps will be installed on a trial basis in the spring of 2016 in an effort to reduce speeding vehicles within the village.
- A rate payer has requested a reduction or forgiveness of property taxes due to a unique situation. Council declined the request. The rate payer was provided an extension to the spring of 2016 to clean up the property.
- The Village has hired Brenda Appleton as a part-time administrative assistant.
- The Village Administrator will be attending an educational workshop on October 28th.
- Following an extensive community spring clean-up there will not be an extra clean-up day this fall.
- A concern was raised regarding a property and excess vehicles/equipment in the yard. The village will be hiring a surveyor to determine where the property lines fall. Further discussion will occur following the survey with respect to action necessary.
- The Administrative committee was appointed to develop processes related to employee performance planning.
- We now accept e-transfers for water/sewer & tax bills.
- Office closed Monday, October 12th.
- Next recycling pick-up is Tuesday, November 3rd.
- Annual Fowl Supper is November 8th (see below for more information)
- Next council meeting is November 3rd @ 7:30. Meetings are open to all ratepayers.
