## Village Council Meeting July 8, 2014

- Minutes of the regular meeting on June 3<sup>rd</sup> were approved as were the payment of accounts, the bank reconciliations, balance sheets, financial statements, and March and April's Waterworks Monthly Log Records.
- Council instructed the Administrator to write a letter to the home owners' of 119 Centennial Dr. stating that the water in the basement was tested by the Village foreman and verified that it was not coming from the Village water line. Furthermore that the letter state that this is not a Village issue therefore the Village will not be getting involved.
- The Administrator's holiday requests were approved for July 17-18 and August 15-22.
- A rate payer raised concerns about the drainage behind English Bay. Council acknowledged his concerns and said they would have a look.
- The Community Hall rental rates will remain the same as before-\$40/half day or \$80/full day with a damage/cleaning deposit of \$100.00. Additionally, if the hall is booked for a community event there shall be no charge. For more information please contact the office.
- Gravel has been ordered for the Village but with all the rain delivery has been pushed back.
- Traffic speed concerns were raised. Residents are encouraged to call the RCMP regarding these concerns. Speed limit throughout the Village is max 40km.
- **Next recycling pick-up will be Tuesday, July 15.** Since recycling day typically ends up being the windiest day of the week and it blows everywhere, items should not be put in containers loosely. Bags or boxes should be used.
- Road construction is expected to begin Monday, July 14.
- MR2 Park Committee gave an update. The goals for this year are: water source and irrigation, access approach into park, grass, trees and hill. If you would like to become involved with the committee please contact the office and I will pass your information on.

**The next council meeting is Tuesday, August 5, 2014 @ 7:30pm at the new Village Office (102 Railway Ave.)**

## HEALTHY LIVING WITH JUICE PLUS+

- . Are you ready to make a non-radical leap to optimum health?
- . Are you ready to achieve your ideal weight?
- . Are you prepared to drastically change your body on a cellular level?
- . Are you ready for a simple solution for healthy/clean living?

The message is clear: we need more of the healthful whole foods nutrition of fruits and vegetables in our diets every day. It's the one thing that almost everyone agrees we can do to improve our health.

Unfortunately, most people don't eat nearly enough fruits and vegetables and certainly not every day.

JUICE PLUS+ is a convenient and inexpensive way to add nutrition from 25 different fruits, vegetables and grains.

JUICE PLUS+ is not a supplement/vitamin. Juice Plus+ provides whole food based nutrition from a wide assortment of nutritious vine ripened fruits and vegetables. It contains a much wider variety of naturally occurring vitamins, antioxidants and other phytonutrients than traditional vitamin supplements.
