COMMUNITY NEWS

- Council has been working with Associated Engineering on a drainage plan. Council will be meeting on July 26 to discuss in further detail.
- Road work has begun. Samantha St, Corbin & Brayden Bay and Centennial Dr have had asphalt emulsion applied. Due to the rain the schedule has changed. The tentative road order is now:
 - Thursday, July 12- Maple Ave, Park St and English Bay
 - Friday, July 13- Broadway
 - Monday, July 16- Wilfred and Blair St.
 - Tuesday, July 17- Fairfax St, Rider & Harvest Bay
 - Saskatchewan, Railway, Assiniboia and west grid will be done last.
- Please make sure all vehicles, trailers, etc. are moved off of the roads during this time.
- In order to enforce complaints (i.e. overgrown grass/weeds, vehicles parked on the roadway for longer than 24hrs) a formal complaint is required to the Administrator.
- The Town lawyer is collecting affidavits and preparing to take an ongoing noise bylaw issue to the Court of Queen's Bench for enforcement.
- The RCMP, City of Regina Police and the Moose Jaw Police have formed a new integrated traffic unit. They will be patrolling through town and the back roads more looking for speeders, stop sign blowers and other traffic violations. Slow down, stop at the stop signs and obey the rules of the road to avoid those hefty fines. If you receive a ticket we do have Fine Options in Grand Coulee. Contact Leah Barnard at 3065335587.

Have a great summer
