## Highlights from November's council meeting

### Proposed Postal Code Change

Thank you to everyone who voiced their opinions regarding the proposed postal code change. The Town received over 40 responses, 55% of people were not in favour. Council passed a motion not to pursue, to keep the postal code the same.

### Bylaw Court

The RM of Edenwold has successfully established a bylaw court which the Town of Grand Coulee will be able to utilize. What this means is the Town is now able to enforce bylaw violations. The RM of Edenwold has been working with the Ministry of Justice for over 2 years to get this established. The Administrator will be meeting with the RM of Edenwold in the next month or so to figure out the details and costs that will be involved.

### Workshops

The Administrator will be attending an Asset Management workshop on November 28 and an OHS Class Training on December 6 & 7. The office will be closed for these days.
